CAUTION - EXTERNAL:

Judge Zwart,

We would like to have the following to keep our filings cohesive and are requesting the following. Would you please direct me to whom would be able to get these tasks taken care of?

1. The last order was only mailed to Warren Crozier. Usually both Abby and I, Paula Crozier, also receive our own copies. We'd like to keep it that way to ensure we all receive the correct and same information, especially since Abby Crozier is the primary plaintiff.
2. The emailed audio file for our 1/4/22 teleconference stated that there was an audio attachment. There wasn't one. Additionally, on pacer.gov, the notification in the history/documents for that file state it also has an audio file, however, there is not anything to download. We are requesting that the court email the audio file.
3. Why was this teleconference audio file placed on pacer, but all other audio teleconferences between both the defendants' counsel and previous counsel Osborn, not placed on Pacer? We'd like transcripts and/or audio files of all the conferences, so we may be informed of exactly what was communicated and decided for our case.
4. Also, we will be submitting a Motion to Extend on providing evidence to the defendants until the Protection Order is decided. We will answer the defense's interrogatories on 1/25/22, however, we firmly believe that we deserve to be on a level playing field as currently the defense would be able to view all our evidential records while we would still be unable to view theirs until the protection order is reviewed.

If you have any questions, please don't hesitate to email them back to us so we may answer in writing to the court.

Thank you!
Abby Crozier
